

Rep. Cyrus Western

RINO of the Month November 2022

Surviving a close race in Wyoming's Primary Election, Rep. Cyrus Western (HD 51 - Sheridan) hopefully got the message that many of his constituents aren't happy with his 40% WyoRINO score.

Four bills that were related in some respect to election integrity processes, ([HJ 03](#), [HB 49](#), [HB 52](#), [HB 80](#)), provided Western an opportunity to advance strong election practices. And yet, Western failed to do so.

During a time in our nation's history where honest elections are under unprecedented assault, it is critically important to have Wyoming's state legislators stand strong. As an issue of high priority in the Wyoming Republican Party, Western needs to see the light and improve his voting record

on this important topic.

If not, maybe the results of the 2024 primary election will not go as well. Rep. Cyrus Western was lucky this time. Let's hope that this close call will cause him to improve his representation in Wyoming's legislature and adhere to Republican party principles.

What is a RINO? A Republican in Name Only

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an “R” beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
