WyoRINO SENATE BILL DESCRIPTIONS 2023

1. **SF 09 Medicaid coverage- licensed pharmacists.** This bill expands Medicaid in Wyoming, growing government spending by an unknown amount and further incentivizing government-dictated health care. This bill stands in opposition to Wyoming Republican Party Resolution Against Medicaid Expansion adopted May 15, 2021. We have assigned a plus to the NAY votes. <https://wyoleg.gov/Legislation/2023/SF0009>
2. **SF 62 Legislator health care.** This bill would have provided government health insurance to members of the legislature, expanding government spending on the health insurance of mostly privately employed individuals within Wyoming. At a time when government has destroyed the health insurance marketplace, it is wrong to extend lavish state benefits to members of the legislature. This bill violates Wyoming Republican Party Platform Plank #11, which states that fiscal irresponsibility of the government results in economic inequality. This bill also violates Platform Plank #17, stating that all taxes collected must be used for the constitutional purposes of government. We have assigned a plus to the NAY votes. <https://wyoleg.gov/Legislation/2023/SF0062>
3. **SF 72 Employees- forced microchip implantation prohibited.** This bill would have prevented employers in Wyoming from requiring employees to be implanted with a microchip, serving as a basic measure to protect the bodily autonomy of Wyoming citizens. This common sense bill passed the Senate but failed in the House on a vote of 28-32. This bill supports Wyoming Republican Party Platform Plank #10, declaring that no medical procedure, modality, or treatment should ever be mandated under any circumstances. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/SF0072>
4. **SF 109 Prohibiting chemical abortions.** This bill prohibits anyone from prescribing, dispensing, distributing, selling, or using chemical abortion pills for purposes of killing an unborn baby. This is the strongest chemical abortion ban in the United States, and passed the Senate and House. The bill was signed into law by Governor Gordon. This bill supports the Wyoming Republican Party Platform Plank #1 as it stands for the protection of the unborn. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/SF0109>
5. **SF 110 Personal property- tax exemption.** This bill would have provided a property tax exemption for tangible personal property, potentially saving Wyoming business owners and others thousands in unfair and capricious taxes. This bill was killed by the Senate on a 14-17 vote, and supported Wyoming Republican Party Platform Plank #11 on economic liberty and Platform Plank #17 on taxes, which should never be more than necessary to meet the government's

constitutional obligations. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/SF0110>

6. **SF 117 Parental rights in education.** This bill would have prevented public school instruction in the radical leftist ideologies of sexual orientation and gender identity in kindergarten through third grade. This bill would have bolstered the rights of parents in Wyoming, and was defeated when the Speaker of the House refused to assign it to a committee after passing the Senate on a vote of 18-12. This bill supports Wyoming Republican Party Resolution on Student Wellbeing adopted May 7, 2022. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/SF0117>
7. **SF 136 Property tax relief- assessment rate reduction.** This bill would have provided real property tax relief to all property owners in Wyoming by reducing the property tax rate from 9.5% to 8.5%. This bill passed the Senate but was left in the Speaker's drawer to die in the House, giving us no opportunity to see how our Representatives really feel about real property tax relief. Wyoming citizens desperately need real property tax relief, and this bill was the strongest effort at providing it. This bill supports Wyoming Republican Party Platform Plank #11 on economic liberty and Platform Plank #17 on taxes, which should never be more than necessary to meet the government's constitutional obligations. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/SF0136>
8. **SF 143 Wyoming freedom scholarship act.** This bill would have created a universal school choice program in Wyoming, enabling families to receive \$6,000 per student for use toward the purchase of home school curriculum, private school tuition, private tutoring, or a combination of these things. This bill would have forced Wyoming public schools to compete for public funds and enabled parents to exercise their fundamental right to guide their child's education. This bill supports Wyoming Republican Party Resolution on Student Wellbeing adopted May 7, 2022. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/SF0143>
9. **HB 103 Political party affiliation declaration and changes.** This bill prevents the insidious practice of crossover voting by preventing voters from switching party affiliation within 96 days of a primary election. This bill passed the House and the Senate, and was allowed to pass into law without Governor Gordon's signature. A longstanding priority of the Wyoming Republican Party, this bill supports Wyoming Republican Party Resolution to Limit Voting Registration and Party Affiliation Changes up to but not on Election Day, adopted November 2021. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/HB0103>
10. **SJ 11 Convention of States.** This bill requested Congress to call a Convention of States to propose amendments to the U.S. Constitution pursuant to Article V. An Article V Convention is a

dangerous idea, as constitutional scholars and experts have warned of the likelihood of a runaway convention resulting in the erasure of the First and Second Amendments. Instead of attempting to change it, we should demand our leaders follow the Constitution we have now. This bill stands in opposition to Wyoming Republican Party Resolution calling to Rescind Wyoming's Application for Article V Convention adopted May 15, 2021. We have assigned a plus to the NAY votes. <https://wyoleg.gov/Legislation/2023/SJ0011>

WyoRINO House Bill Descriptions 2023

1. **HB 04 Medicaid twelve month postpartum coverage.** This bill expands Medicaid in Wyoming, growing government spending by an unknown amount and further incentivizing government-dictated health care. This bill stands in opposition to Wyoming Republican Party Resolution Against Medicaid Expansion adopted May 15, 2021. We have assigned a plus to the NAY votes. <https://wyoleg.gov/Legislation/2023/HB0004>
2. **HB 14 Civil case filing fees- amendments.** This bill increases the fee one must pay to access Wyoming's civil courts from \$120 to \$160. Fee increases are tax increases, and are never acceptable, especially during a dangerous inflationary period when government coffers are overflowing. Wyoming citizens should not be charged extra in order to exercise their constitutional right to access the courts. This bill stands in opposition to Wyoming Republican Party Platform Plank #17 which posits that taxes should never be more than necessary to carry out the government's constitutional obligations. We have assigned a plus to the NAY votes. <https://wyoleg.gov/Legislation/2023/HB0014>
3. **HB 51 Legislator Constituent Service Increase.** This bill increases each legislator's quarterly constituent service allowance from \$750 to \$1,000. At a time when inflation is rampant, Wyoming citizens have been taking pay cuts- in Cheyenne, legislators voted themselves the equivalent of a pay increase. This bill violates Wyoming Republican Party Platform Plank #11, which states that fiscal irresponsibility of the government results in economic inequality. This bill also violates Platform Plank #17, stating that all taxes collected must be used for the constitutional purposes of government. We have assigned a plus to the NAY votes. <https://wyoleg.gov/Legislation/2023/HB0051>
4. **HB 66 Prohibiting mask, vaccine and testing discrimination.** This bill would have prevented discrimination on the basis of mask or vaccination status in Wyoming. This bill would have protected the right of Wyoming citizens to to control their health care decisions, and supports Wyoming Republican Party Platform Plank #10, which posits that no medical procedure, modality, or treatment should ever be mandated under any circumstance. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/HB0066>
5. **HB 116 Prohibiting foreign property ownership in Wyoming.** This bill would have prevented hostile foreign governments from owning property in the state of Wyoming, an important solution to the impending crisis of Wyoming agricultural land being accumulated by dangerous global forces. This bill supports Wyoming Republican Party Resolution on Foreign Government

Ownership of Land adopted May 7, 2022. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/HB0116>

6. **HB 152 Life is a Human Right Act.** This bill protects life from the moment of conception and is the nation's strongest pro-life legislation to date. The bill passed the House and the Senate, and was allowed to pass into law without Governor Gordon's signature. This bill supports the Wyoming Republican Party Platform Plank #1 as it stands for the protection of the unborn. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/HB0152>
7. **SF 40 Federal political action committees- reports.** This bill requires federal political action committees to file reports with the Wyoming Secretary of State if those committees are involved in any capacity in statewide issues or elections. Federal political action committees are already subject to strict federal reporting requirements- this bill results in double regulation of protected electioneering activity and infringes on freedom of electoral speech, and stands in opposition to Wyoming Republican Party Platform Plank #22 which posits that freedom of speech is a fundamental right. We have assigned a plus to the NAY votes. <https://wyoleg.gov/Legislation/2023/SF0040>
8. **SF 72 Employees- forced microchip implantation prohibited.** This bill would have prevented employers in Wyoming from requiring employees to be implanted with a microchip, serving as a basic measure to protect the bodily autonomy of Wyoming citizens. This common sense bill passed the Senate but failed in the House on a vote of 28-32. This bill supports Wyoming Republican Party Platform Plank #10, declaring that no medical procedure, modality, or treatment should ever be mandated under any circumstances. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/SF0072>
9. **SJ 11 Convention of States.** This bill requested Congress to call a Convention of States to propose amendments to the U.S. Constitution pursuant to Article V. An Article V Convention is a dangerous idea, as constitutional scholars and experts have warned of the likelihood of a runaway convention resulting in the erasure of the First and Second Amendments. Instead of attempting to change it, we should demand our leaders follow the Constitution we have now. This bill stands in opposition to Wyoming Republican Party Resolution calling to Rescind Wyoming's Application for Article V Convention adopted May 15, 2021. We have assigned a plus to the NAY votes. <https://wyoleg.gov/Legislation/2023/SJ0011>
10. **HB 106 Eminent domain- wind energy collector systems (Veto Override).** This bill would have extended an existing moratorium on the exercise of eminent domain authority for purposes of wind energy projects until June 2032, protecting private property rights and Wyoming's extractive industries from government-funded competition. This bill passed both the House and the Senate,

but was vetoed by Governor Gordon. Many legislators showed their allegiance to the Governor when voting to override his veto. This bill supports Wyoming Republican Party Platform Plank #5, which opposes the use of eminent domain. We have assigned a plus to the AYE votes. <https://wyoleg.gov/Legislation/2023/HB0106>
