

RINO of the Month May 2023

The winner of May's RINO of the Month award is none other than Senate President Ogden Driskill (SD 1, Campbell, Crook, Weston). Senator Driskill talks tough, playing a good Republican from a distance. A closer look reveals that he has one of the worst voting records in the Wyoming Senate.

Not only does Senator Driskill vote to expand government at every turn, he conveniently (and constantly) misses votes on matters important to the Wyoming Republican Party Platform. How will his constituents know how he feels about the protection of the unborn, the WRP's top platform plank? Senator Driskill failed to appear for votes on the legislature's two strongest pro-life bills during the most recent legislative session.

On top of his abysmal voting record, Senator Driskill bullies his way past the rules of the Wyoming Senate. Be sure to read up on how he has attempted to unilaterally remove the chairman of the Senate Appropriations Committee without a vote of the body, only to replace him with known RINO Senator Nethercott- someone who will undoubtedly enjoy spending more of your hard-earned money.

Senator Ogden Driskill can be contacted at Ogden.Driskill@wyoleg.gov or give him a jingle at [\(307\) 680-5555](tel:3076805555).

What is a RINO? A Republican in Name Only

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an “R” beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
