

RINO of the Month August 2023

Gov. Mark Gordon

August's RINO of the Month Award goes to none other than Wyoming Governor Mark Gordon. Last month, our governor entered into a Green New Deal agreement with radical Colorado Governor Jared Polis, and had the audacity to brag about it.

They say you can tell a lot about a person by the company they keep. Governor Polis is lauded by the Left for signing into law some of the nations most radical abortion measures and has fought to make Colorado a "sanctuary state" for the mutilation of children under the Orwellian guise of "gender affirming care". He is also dedicated to destroying Colorado's and now Wyoming's oil and gas industries. This year Governor Polis signed into law a series of bills aimed at the untenable goal of reducing greenhouse gas emissions by 100% by 2050.

It seems that Governor Gordon has taken quite a liking to Governor Polis. Speaking over the past few months on Bill Gates' manufactured "climate crisis", Governor Gordon stated his plans to make Wyoming "carbon negative" whatever that means. Maybe he'll give up all his precious rides on the state plane if he's truly concerned about his carbon footprint.

Not only is Governor Gordon wedded to the Left wing climate cult, he also believes that protecting women's sports and spaces is "draconian". He refused to sign into law Wyoming Republican Party Platform priorities like a ban on crossover voting and legislation aimed at protecting life from conception.

If it looks like a RINO and sounds like a RINO and acts like a RINO, it's probably a RINO.

What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
