RINO of the Month
February 2024

The Legislature convenes this month to debate the state's budget for the next biennium. Don't let the headlines and savvy editorials fool you- this year's budget grows state government by hundreds of millions of dollars and is anything but "conservative."

While preparing the budget last month, Representative Tom Walters (HD 38, Natrona) casually proposed tossing in $700K for a float in the Rose Bowl Parade. Of course, the Appropriations Committee is chock-full of highly decorated RINOs, and this extravagant and unnecessary expenditure was added to the budget.

Rep. Tom Walters

This move, along with his other hundreds of votes to spend more of your tax dollars while creating the state budget, has earned Representative Walters the honor of being crowned February's RINO of the Month.

Be sure to tune in to the Legislative Session this month to see more RINOs in action by visiting wyoleg.gov or the Wyoming Legislature on YouTube.

What is a RINO? A Republican in Name Only

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
