

RINO of the Month April 2024

When the Legislature finally gavels out and all the RINOs travel back home, they like to practice one last ritual before hiding from their constituents for the season: *publishing a post-legislative session column.*

Of the many whiny, angry columns published over the past month, Senator Wendy Schuler's diatribe, combined with her abysmal voting record, has earned her April's RINO of the Month Award!

Congratulations, Senator Schuler.

Schuler voted against repealing gun free zones, for public funding of "DEI" wokeism at the University of Wyoming, and even introduced a bill that would allow the State to exert more control over Wyoming kids by lowering the age of compulsory school attendance.

Schuler also voted for the biggest budget ever- and called her fellow Senators "mean" and "divisive" for trying to trim the fat.

Just like a Democrat, Schuler pouts in the corner and demonstrates an inability to tolerate dissent from the standard position of big spending, nanny state governance.

What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
