

## RINO of the Month July 2024

Rep. Lloyd Larsen

July's award goes to none other than Wyoming's biggest advocate for Marxist cradle-to-grave government programming. A "Republican" who votes against nearly every pro-life bill in the Wyoming Legislature and for more spending than the Democrats, Representative Lloyd Larsen (HD 54, Fremont) is our July RINO of the Month.

Representative Larsen actively leads multiple legislative committees and working groups aimed at cementing universal government preschool in Wyoming.

He voted against [prohibiting mask and vaccine mandates](#).

He voted for Democrat-style student [loan forgiveness](#) for Wyoming teachers.

Most shockingly, he voted [against banning gender affirming surgeries](#) on children under 18.

It's clear that Representative Larsen has strong feelings about the proper role of government-- we only wish he would be honest with the people of Fremont County and update his party affiliation to match.

If you want to ask him what makes him a Republican, you can contact him here:

*Editor's Note: Rep Lloyd Larsen was also [December 2020 RINO of the Month](#)*

### What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
