

RINO of the Month September 2024

Rep. Dan Zwonitzer

Our September RINO of the Month Award goes to none other than the recipient of our *first ever* RINO of the Month Award, which was awarded in December of 2019.

In poetic form, this RINO's last actions as a legislator have earned him his last ever RINO of the Month Award.

Representative Dan Zwonitzer (HD 43- Laramie) has spent two decades in the Wyoming Legislature, growing progressively (and aggressively) more liberal every year. In 2024, he received a whopping **0% WyoRINO Score**.

After voting repeatedly for gigantic government, for tax and fee increases, against free market principles, and laughing openly about his poor record as a "Republican," Zwonitzer was defeated in August's primary election.

A few weeks later, the lame duck chaired his last Labor, Health & Social Services Committee meeting. With seven hours remaining in the work day, Representative Mike Yin (a real life Democrat!) requested that the committee close up shop early. Remaining on the agenda was a bill to prevent the Health Department from using tax dollars for sexualized drag shows ([which they did earlier this year](#)).

Representative Zwonitzer cast his *last vote* as a lawmaker to side with Democrat Mike Yin and end the meeting early.

A fitting end to this RINO's career.

Term ends: 2025 (**He lost the Primary**)

What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
