

RINO of the Month October 2024

Sen. Wendy Schuler

It's October, which means Halloween is right around the corner. When selecting a costume, it's good practice to always consider your audience.

If you're looking to scare a Wyoming RINO, dress up as a piece of campaign mail. For added effect, include a list of recorded votes on issues important to Republicans. Spooky!

If you're going for laughs, try a Governor Gordon costume. It seems everyone -- left, right, and center -- is fed up with the Governor. Throwing a little fun his way is sure to be a crowdpleaser.

You could also dress up as a donkey in disguise. Senator Wendy Schuler, this month's RINO of the Month Award winner, is a perfect example of this classic costume.

When discussing your Second Amendment rights in September's Judiciary Committee meeting, Senator Schuler reasoned that since the government has infringed upon the right to bear arms, the right to bear arms doesn't really exist anymore.

According to Wendy, we don't need to bother with restoring the Second Amendment because people "haven't had those rights in over 20 years."

When big government erases another fundamental constitutional right, will Senator Schuler stand up for freedom, or will she continue to roll over?

You can contact Senator Schuler and ask her why your children and grandchildren don't deserve to enjoy their God-given liberties. (307) 679-6774, Wendy.Schuler@wyoleg.gov

"you didn't lose any rights because you haven't had those rights"

What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
