

## RINO of the Month November 2024

There's perhaps no better example of a RINO than disgraced former Congresswoman Liz Cheney. As she parades around the country campaigning for the most radical presidential ticket in American history as a "Republican," it's clear that she is suffering from a nasty condition -- worse than COVID-19 -- called "Trump Derangement Syndrome," often known as TDS.

November's RINO of the Month is another victim of TDS: soon-to-be former Representative Jon Conrad (Uinta, HD 19). Conrad lost his primary election race and has since launched his own write-in campaign, parroting the Democrat

talking points of Liz Cheney and Nancy Pelosi while decrying the conservative bona fides of his victorious opponent.

Rep. Jon Conrad

While in office, Conrad [sponsored a bill](#) to spend half a million dollars on a mining mural in the State Capitol while his constituents in Uinta County face crushing federal regulations that seek to kill their mining jobs for good. He [voted](#) to continue to allow unelected bureaucrats in the Governor's office to abuse the citizens of Wyoming under the guise of "public health emergencies."

Conrad is no Republican, and soon, he won't be a Representative either. Lying to the people about one's political affiliations doesn't always end well.

Term ends 2025

### What is a RINO? **A Republican in Name Only**

**Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?**

**Don't feel bad – so have we.**

**The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.**

**This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.**
