

## RINO of the Month January 2025

The first RINO of the Month Award for the year 2025 goes to the legislator with the lowest WyoRINO score (who's still returning to the Capitol next year). Many RINOs with low scores were booted by the voters of their districts, but like a stubborn rash, some are still sticking around.

In the past five years, Representative Bob Nicholas (HD 7) has failed to score higher than **10%** on our scorecard. If you were to examine his voting record alone, you'd walk away thinking you'd reviewed the votes cast by a card carrying Democrat.

As the Chairman of the House Appropriations Committee, Representative Nicholas (HD 7, Laramie) helped to usher in the biggest budget in state history. He's voted against common sense pro-life protections, against parental rights in education, against banning the mutilation of children, for tax and fee hikes, for Medicaid expansion, and worse.

There's possibly no better poster child for a Wyoming RINO than Representative Nicholas.

You can follow his votes this session and find his contact information at [wyoleg.gov](http://wyoleg.gov).

Term ends: 2025

### What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
