

## RINO of the Month March 2025

Sen. Ogden Driskill

This month's RINO of the Month Award goes to Senator Ogden Driskill (SD 1, Campbell, Crook, & Weston).

The former "Republican" President of the Senate is looking more like a Democrat every day, voting against basic Wyoming GOP priorities left and right.

Since the start of the Legislative Session, Senator Driskill voted against a bill that would have banned foreign adversaries like the Chinese Communist Party from owning Wyoming agricultural land (House Joint Resolution 2). He also voted against a bill to help our state partner with President Trump's common sense agenda to deport criminal illegal immigrants (Senate File 124). He voted against property tax reform (House Bill 282), a bill to stop local governments from violating your constitutional rights (Senate File 85), and a bill to protect Wyoming from environmentalist land grabs (House Bill 93).

During debate on a bill to rid our state institutions of DEI, Driskill turned on his microphone only to call the bill "dangerous."

These are basic platform issues. What does being a Republican mean to Senator Driskill?

Term ends: 2027

## What is a RINO? **A Republican in Name Only**

**Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?**

**Don't feel bad – so have we.**

**The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.**

**This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.**
