

RINO of the Month April 2025

Governor Mark Gordon

April's RINO of the Month Award is no joke and goes to one of Wyoming's most foolish "Republican" politicians of all: Governor Mark Gordon.

Over the last month, Governor Gordon has vetoed common sense platform bills like the Second Amendment Preservation Act and a DOG-esque bill to require legislative approval of executive rules. He also vetoed a provision defunding his Green New Deal crony capitalism fund, which he then used to give **\$5 million to Bill Gates for a wind project** in Wyoming.

In an attempt to appease his Democrat supporters while upholding basic Republican values, he refused to sign bills creating the nation's strictest voter ID requirements and protecting women and girls from trans insanity and let them take effect without his signature.

Real Republicans don't sit on fences.

If you want to ask the Governor why he still identifies as a Republican, you can reach him at 307.777.7434.

Term ends: 2027

What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
