

RINO of the Month October 2025

October's RINO of the Month award goes to a longtime member of the Wyoming House of Representatives who rarely holds town halls in his own community -- yet took the time to participate as a panelist in one held by Wyoming Democrats.

Feeling at home with members of his *actual* party, Representative Lloyd Larsen (HD54, Fremont) is the winner of this month's honor.

A huge spender, proponent of nanny state mental health surveillance of your children, and defender of taxpayer funded drag shows, Representative Larsen earned an impressive 40% score on this year's scorecard. This is the highest score he's earned since WyoRINO's inception in 2019!

If you want to ask Representative Larsen why he identifies as a Republican when he clearly aligns with the Democrats, you can contact him here.

What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
