

## RINO of the Month December 2025

Rep. Bob Nicholas

2025 is coming to a close, which motivates us to reflect on the worst RINOs in the Wyoming Legislature.

There's Senator Tara Nethercott (SD 4, Laramie), a gaslighter who consistently votes for bloated budgets and runaway spending while insisting (condescendingly) that she's a true conservative Republican.

Then you have Representative Lloyd Larsen (HD 54, Fremont), (ROM: [October 2025](#), [July 2024](#), [December 2020](#)) defender of drag queens and apologist for the radical LGBT agenda.

Of course, there's Senator Cale Case (SD 25, Fremont) (ROM: [July 2023](#), [May 2021](#)), a self-declared enemy of religious homeschoolers and someone who believes sex isn't binary (yes, he really said that).

Of the many RINOs in the Wyoming Legislature, there's one lawmaker who takes the cake, and that person deserves the final RINO of the **Month Award of 2025: Representative Bob Nicholas (HD 7, Laramie)**.

Representative Nicholas consistently earns the lowest WyoRINO score of all legislators year after year. He's fought against medical freedom, sound fiscal policy, school choice, tax relief, parental rights, and pretty much every other priority of Wyoming Republicans.

Previous Awards: [January 2025](#), [June 2024](#), [February 2021](#)

Term ends: 2027

### What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
