

RINO of the Month March 2026

It's March, which means it's time for a new RINO of the Month.

Since it's a budget session, it's crucial to highlight legislators who seek to spend, spend, spend.

This month's award goes to one of the biggest spenders in the Wyoming House of Representatives -- a legislator who believes that government knows better than you do, and who happens to be the longest serving Representative in the House.

Representative Steve Harshman (HD 37, Natrona) has made it his mission to make the state budget as confusing as possible in order to keep his spending habits from being noticed by the people.

Rep. Steve Harshman

Representative Harshman spends most of his time casting votes alongside the few Democrats in the chamber. When will he change his party affiliation once and for all?

Term ends 2027

What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
