

## RINO of the Month April 2026

April's RINO of the Month Award goes to a Senator who thinks she's smarter than everyone else -- someone who, like a Democrat, favors big government, hates transparency, and loathes election integrity.

Voting to kill common sense bills to improve post-election audits and other procedures, Senator Tara Nethercott (SD 4, Laramie) claimed that the Legislature has passed too many election integrity bills, calling these efforts "absurd."

We think it's absurd to run as a Republican when your voting record proves you're something entirely different.

save, and acted to unilaterally kill 10 platform-aligned bills by adjourning early on the last day for bills to be considered in Committee of the Whole.

Sen. Tara Nethercott

What makes Senator Nethercott a Republican?

### What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
