

RINO of the Month September 2026

Rep. J.T. Larson

It's back to school season.

September's RINO of the Month is one of big education's biggest defenders, voting against school choice and fighting against parental rights in a county where these issues matter most.

Representative J.T. Larson (HD 17, Sweetwater) is routinely ranked lower than some Democrats on a plethora of Wyoming legislative scorecards - earning a 20% on the 2026 WyoRINO scorecard as a representative example of his voting habits.

He walks like a Democrat, talks like a Democrat, and votes like a Democrat. He may have an "R" by his name, but his self-ascribed label means less than his record.

Ask him what he thinks it means to be a Republican.

What is a RINO? **A Republican in Name Only**

Have you as a loyal Republican, gone to the polls year after year, voting for candidates with an "R" beside their name, trusting they would legislate and vote like a Republican but only to be disappointed?

Don't feel bad – so have we.

The time is long overdue to hold politicians accountable for big government, big regulation, big taxation laws – values that the Republican party does NOT support.

This is the primary reason WyoRINO.com was created – to expose liberal Wyoming Republicans who violate our Wyoming Republican values.
